# 2013 CONSOLIDATED ELECTION CALENDAR

# DECEMBER 24 FILING DEADLINE MEANS OFFICES OF BOARD SECRETARIES AND MUNICIPAL CLERKS MUST REMAIN OPEN UNTIL 5:00 P.M. ON CHRISTMAS EVE

While it has been two years since Public Act 96-1008 changed many deadlines pertinent to the election responsibilities of board secretaries and municipal clerks, it remains critical for these local election officials to review this calendar carefully and to accurately note deadlines.

Both candidates and objectors will need to pay close attention to deadlines which will occur just before and after Christmas in 2012. This is a crucial interval in the current Consolidated Election cycle but one when many government offices typically go into hibernation for the holiday break.

This year, the last day for filing nominating papers is December 24, 2012, and the deadline for objecting to nominating papers is five business days thereafter. The December 24 filing deadline will considerably inconvenience most schools and municipalities because local election officials are required by law to keep their offices open on the last day of filing until 5:00 p.m. The Election Code is clear in this regard, and it appears that only an announcement by the Governor that State offices are closed on December 24 or a change to the Election Code could push back the filing deadline and obviate the need to have offices open on Christmas Eve. We will advise you if anything changes.

While every effort has been made to provide accurate information in this Election Calendar, you

should consult with legal counsel to verify the requirements and deadlines which apply to your particular circumstances. For instance, some deadlines can "float" depending upon the date on which a particular prior act occurred. Some dates shown below may change due to further legislative or administrative action. If so, we will issue a supplemental bulletin describing the changes.

Also, certain dates fall on Saturdays, Sundays or legal holidays. The deadline for a particular act may be moved forward, backward or remain the same, depending on the law applicable to that deadline and whether the pertinent government office is open. Whenever possible, candidates should file early to avoid a challenge to the timeliness of their fillings.

Complete information and forms, including the *Local Election Official's Handbook for the 2013 Consolidated Election*, are posted on the website of the State Board of Elections, <a href="https://www.elections.state.il.us">www.elections.state.il.us</a>. # OFFICIALS ELECTED AT THE APRIL 2013 CONSOLIDATED ELECTION

School officials, and most municipal officials, are elected at the Consolidated Election on the first Tuesday in April of odd-numbered years. Next year's Consolidated Election will be held on April 9, 2013. The last day for your county clerk or board of

election commissioners to canvass your election results is April 30, 2010.

The following schedule applies for school officials:

### 4-YEAR TERM DISTRICTS

Elected	Term Begins	Term Ends
April 2011	May 2011	May 2015
April 2013	May 2013	May 2017

### **6-YEAR TERM DISTRICTS**

Elected	Term Begins	Term Ends	
April 2011	May 2011	May 2017	
April 2013	May 2013	May 2019	

This schedule is intended as a general guide for school and municipal officials, with the caveat that it does not include information regarding the February 26, 2013 Consolidated Primary Election. If you have any questions concerning the Consolidated Primary Election, please contact your RSNLT attorney.

Municipal officials elected in April 2013 will take office at the first regular meeting following the canvass of election results. Because the canvass may not take place until 21 days after the election, it is likely that most new municipal officials will assume office in May. However, municipalities may adopt an ordinance setting a different transition date, but the substitute date must not be later than the first regular meeting in June.

**Regional Trustee:** Qualified voter of the educational service region. (105 ILCS 5/6-10)

Notes: A school trustee or treasurer may not also serve as a member of a school board. (105 ILCS 5/10-10

There may be residential restrictions for candidates in certain districts.

### **DEFINITIONS**

Local Election Official: The Secretary of a school/college board or his/her designee.

Election Authority: A County Clerk and/or Board of Election Commissioners.

Electoral Board: A three-member board that hears and decides objections to nomination papers or petitions.

Canvassing Agency: The election authority for the jurisdiction in which your main office is located.

#### WHERE TO FILE

File in the office of the school or college district with the local election official (usually Secretary of Board or designee) , or with the municipal clerk. On the last filing day, the office must be open until at least 5 p.m. to accept filings.

#### WHAT TO FILE

- 1. Statement of candidacy. (10 ILCS 5/10-5)
  Designate whether filing for a full-term or to fill an unexpired term arising due to a vacancy. (105 ILCS 5/10-10; 110 ILCS 805/3-7) When both full-term and short-term (vacancies) seats are available, candidates should be careful to indicate "full-term," "four-year term," "two-year term," or "to fill vacancy" on each petition sheet as part of the title of the office, on the Statement of Candidacy, and on all other election documents. Failure to do so may result in invalidation of the nomination papers.
- Petition for nomination. (10 ILCS 5/10-4, 5/10-5)
   Most successful election objections are based on errors in a candidate's nominating petition. Thus, you must strictly adhere to the rules governing nominating petitions.

Form of petition. The petition signature sheets must be in the form required by law. The heading on each page must be identical. Each page of the petition must also contain a "circulator's affidavit" stating his/her address and that he/she circulated the petition; certifying that the signatures on that page of the petition were signed in his/her presence, and the signatures

are genuine; and either (1) indicating the dates on which that page of the petition was circulated, (2) indicating the first and last dates on which the petition sheet was circulated, or (3) certifying that none of the signatures were signed more than 90 days preceding the last day for filing of the petition. (10 ILCS 5/10-4) **Do not** use old petition forms which refer to the circulator being a registered voter in the district and which fail to indicate that the circulator is over 18 years of age and a U.S. citizen.

The original petitions with accompanying documents must be neatly fastened together at the top in a secure and suitable manner in book form. Do not use paper clips or staples, but instead punch holes at the top edge and bind through the holes. *Each petition signature page must be numbered consecutively*.

The importance of strict compliance with the Election Code's requirements for the form of petitions cannot be overemphasized. Many types of deficiencies have been found to be cause for invalidating a nominating petition. The following are just a few examples:

- ► Failure to consecutively number petition pages. *El-Aboudi v. Thompson*, 293 III. App. 3d 191, 687 N.E.2d 1166 (2d Dist. 1997) (citing cases).
- ► Failure to bind the nomination papers securely. *Girot v. Keith*, 341 III. App. 3d 902, 793 N.E.2d 935 (3d Dist. 2003).
- ► One complete set of original nominating papers must be submitted. A petition, once filed, cannot be withdrawn from the Secretary's office or supplemented by additional sheets.
- ▶ The petition circulator must personally appear before the notary public who notarizes the circulator's affidavit. Bowe v. Chicago Electoral Board, 79 III.2d 469, 404 N.E.2d 180 (1980). We strongly recommend that school staff and board members do not notarize candidate petitions, especially while on government-owned property or while on duty as a government employee.

**Number of signatures.** Candidate petitions for boards of education or community college boards

must be signed by at least 50 voters or 10% of the registered voters, whichever is less, residing within the district. Petitions for candidates for the office of school director must be signed by at least 25 voters or 5% of the registered voters, whichever is less, residing within the district. We recommend that candidates obtain at least three times the required minimum number of signatures.

3. Receipt for filing a Statement of Economic Interests. (5 ILCS 420/4A-101 et seq.)

Note: The actual Statement of Economic Interests is filed with the County Clerk of the county in which the principal office of the unit of government is located. (5 ILCS 420/4A-106) Both the statement and the receipt should indicate the *full title* of the office sought, including the name of the school district and vacancy, if any. (*E.g.*, "Member of the Board of Education of Apple School District 12, Lincoln County, Illinois, full term.")

► The receipt must be for a Statement of Economic Interests filed in calendar year 2012. Filing a Statement of Economic Interests receipt from a previous year invalidates the nomination papers. Jenkins v. McIlvain, 338 III. App. 3d 113, 788 N.E.2d 62 (1st Dist. 2003).

### **HOW TO FILE**

The candidate may file by mail or in person commencing during the normal opening hour starting Monday, December 17, 2012, through 5 p.m., Monday, December 24, 2012. (10 ILCS 5/10-6). All candidates who file as of the normal opening hour of the first day shall be deemed simultaneously filed. Similarly, nominating papers delivered in the first mail of the first filing day are also considered simultaneously filed. All other candidates are listed in order of actual receipt. If a simultaneous filing occurs at the opening moment of the filing period, the order of filing is determined by public lottery. Each candidate who simultaneously filed must receive 7 days' prior written notice of the time and place of the lottery. A candidate may send a representative to file his/her petitions.

### WITHDRAWAL OF CANDIDACY

On or before January 31, 2013, any candidate may submit a notarized statement to the local election official withdrawing his/her candidacy. (10 ILCS 5/10-7).

### **BOARD MEMBERS / TRUSTEES FILLING VACANCIES**

School Boards of Education. Within five days of vacancy, the Board must notify the Regional Superintendent. The Board must, within 45 days, appoint someone to fill the vacancy until the next regularly scheduled election. If the vacancy occurs with less than 868 days remaining in the term, or fewer than 88 days before the next regularly scheduled election), the Board of Education can appoint a member to fill the full unexpired term; no election to fill the unexpired term for that vacancy is required. (105 ILCS 5/10-10) The term's expiration date will vary depending on when the organizational meeting is held.

**College Boards of Trustees.** Whenever a vacancy occurs, the remaining trustees appoint a person to fill the vacancy. If the remaining trustees fail to fill the vacancy within 60 days after the vacancy occurs, the chairman of the Illinois Community College Board

appoints a person to fill the vacancy. The person appointed serves until a successor is elected and certified in accordance with the Election Code. If the vacancy occurs with less than four months remaining before the next scheduled consolidated election, and the term of office of the trustee vacating the position is not scheduled to expire at that election, then the appointee's term shall extend through that election and until the succeeding consolidated election. If the term of office of the trustee vacating the position is scheduled to expire at the upcoming consolidated election, the appointed member shall serve only until a successor member is elected and qualified at that election. (110 ILCS 805/3-7)

### PETITION CIRCULATORS

Petition circulators need not be registered voters or even reside in the district. They must, however, be at least 18 years of age and be U.S. citizens.
