AVAILABLE NOW: COVID-19 BACK TO SCHOOL SUPPLY KIT

On June 23, 2020, the State of Illinois announced its return to school plan for the 2020-2021 school year. In light of the Joint Guidance from the Illinois State Board of Education and the Illinois Department of Public Health, and based on questions and concerns from our clients, our attorneys have developed a Covid-19 Back to School Supply Kit for elementary and secondary schools. The Supply Kit contains various forms, notices and other documents for use by schools in connection with the many issues that must be addressed with respect to students, staff and visitors to school facilities as the 2020-2021 school year begins with unique challenges never before encountered by Illinois schools.
