

## **UPDATED August 4, 2020: COVID-19 RETURN TO CAMPUS SUPPLY KIT**

We have been closely monitoring the guidance from ICCB, IBHE, IDPH and the CDC. In light of the new guidance received over the last week from IDPH and the CDC, we have updated several of our forms to ensure you have the most current and up-to-date information for your campus community. The Updated Supply Kit contains various forms, notices and other documents for use by institutions in connection with the many issues that must be addressed with respect to students, staff and visitors to campus facilities as the 2020-2021 academic year begins with unique challenges never before encountered.
